Project Name:	ShopSmart: Your Digital Grocery Store Experience
Maximum Marks:	100

## Project Overview

Project Name: ShopSmart: Your Digital Grocery Store Experience

Project Description: ShopSmart is a web-based grocery application that provides users with a seamless online shopping experience. The platform allows customers to explore various categories, view product details, add items to their cart, and securely complete checkout. It also features robust seller and admin interfaces for product management, inventory control, and analytics monitoring.

Project Version: 1.0

Testing Period: [Start Date] to [End Date]

## Testing Scope

Features and Functionalities to be Tested:

- User registration and login
- Product browsing and search functionality
- Adding items to cart
- Checkout and payment gateway
- Order history and tracking
- Seller dashboard (add/edit/remove products)
- Admin dashboard (user management, inquiry handling)
- Security features (data protection, secure login)

User Stories or Requirements to be Tested:

- As a user, I want to register/login securely.
- As a customer, I want to browse and search for products.
- As a customer, I want to add/remove items from my cart.
- As a customer, I want to place an order and make payments.
- As a seller, I want to manage my product listings.
- As an admin, I want to monitor application performance and user activity.

## Testing Environment

URL/Location: <https://shopsmart-app.example.com>

Credentials (if required):

- Customer: [user@example.com](mailto:user@example.com) / user123

- Seller: [seller@example.com](mailto:seller@example.com) / seller123

- Admin: [admin@example.com](mailto:admin@example.com) / admin123

## Test Cases

Test Case ID	Test Scenario	Test Steps	Expected Result	Actual Result	Pass/Fail
TC-001	User Registration/Login	1. Navigate to login 2. Enter credentials 3. Submit	User should be logged in	[Result]	[✓/✗]
TC-002	Product Browsing and Search	1. Click on category 2. Search for product	Relevant products are displayed	[Result]	[✓/✗]
TC-003	Add to Cart	1. Select product 2. Click 'Add to Cart'	Product appears in cart	[Result]	[✓/✗]
TC-004	Checkout and Payment	1. Proceed to checkout 2. Enter payment info 3. Pay	Order confirmation is received	[Result]	[✓/✗]
TC-005	Seller - Add/Edit Product	1. Login as seller 2. Go to dashboard 3. Add/edit product	Product list updates successfully	[Result]	[✓/✗]
